Performance Training for Middle School Athletes

The transition to High School level performance requires a base of correct Alignment, Balance and Coordination

Take yourself to the next level of success this spring!

What is FAST's Focus?

Each participant will come away with enhanced strength to body weight ratio; joint stability, balance and coordination. Run technique is emphasized each session. As a result they will experience less injury and the ability to train at the highest level.

Programs designed and taught by Dwight Sandvold: Athletic Trainer, Certified Strength and Conditioning Specialist and 3 time Ironman World Championship qualifier.

Dates/Times: Sept. 2nd – Oct. 30: M and W 4:30- 5:15 p.m.
